# Principles

**Reuse materials - it's out there, use it.**

**Materials available under open source licence.**

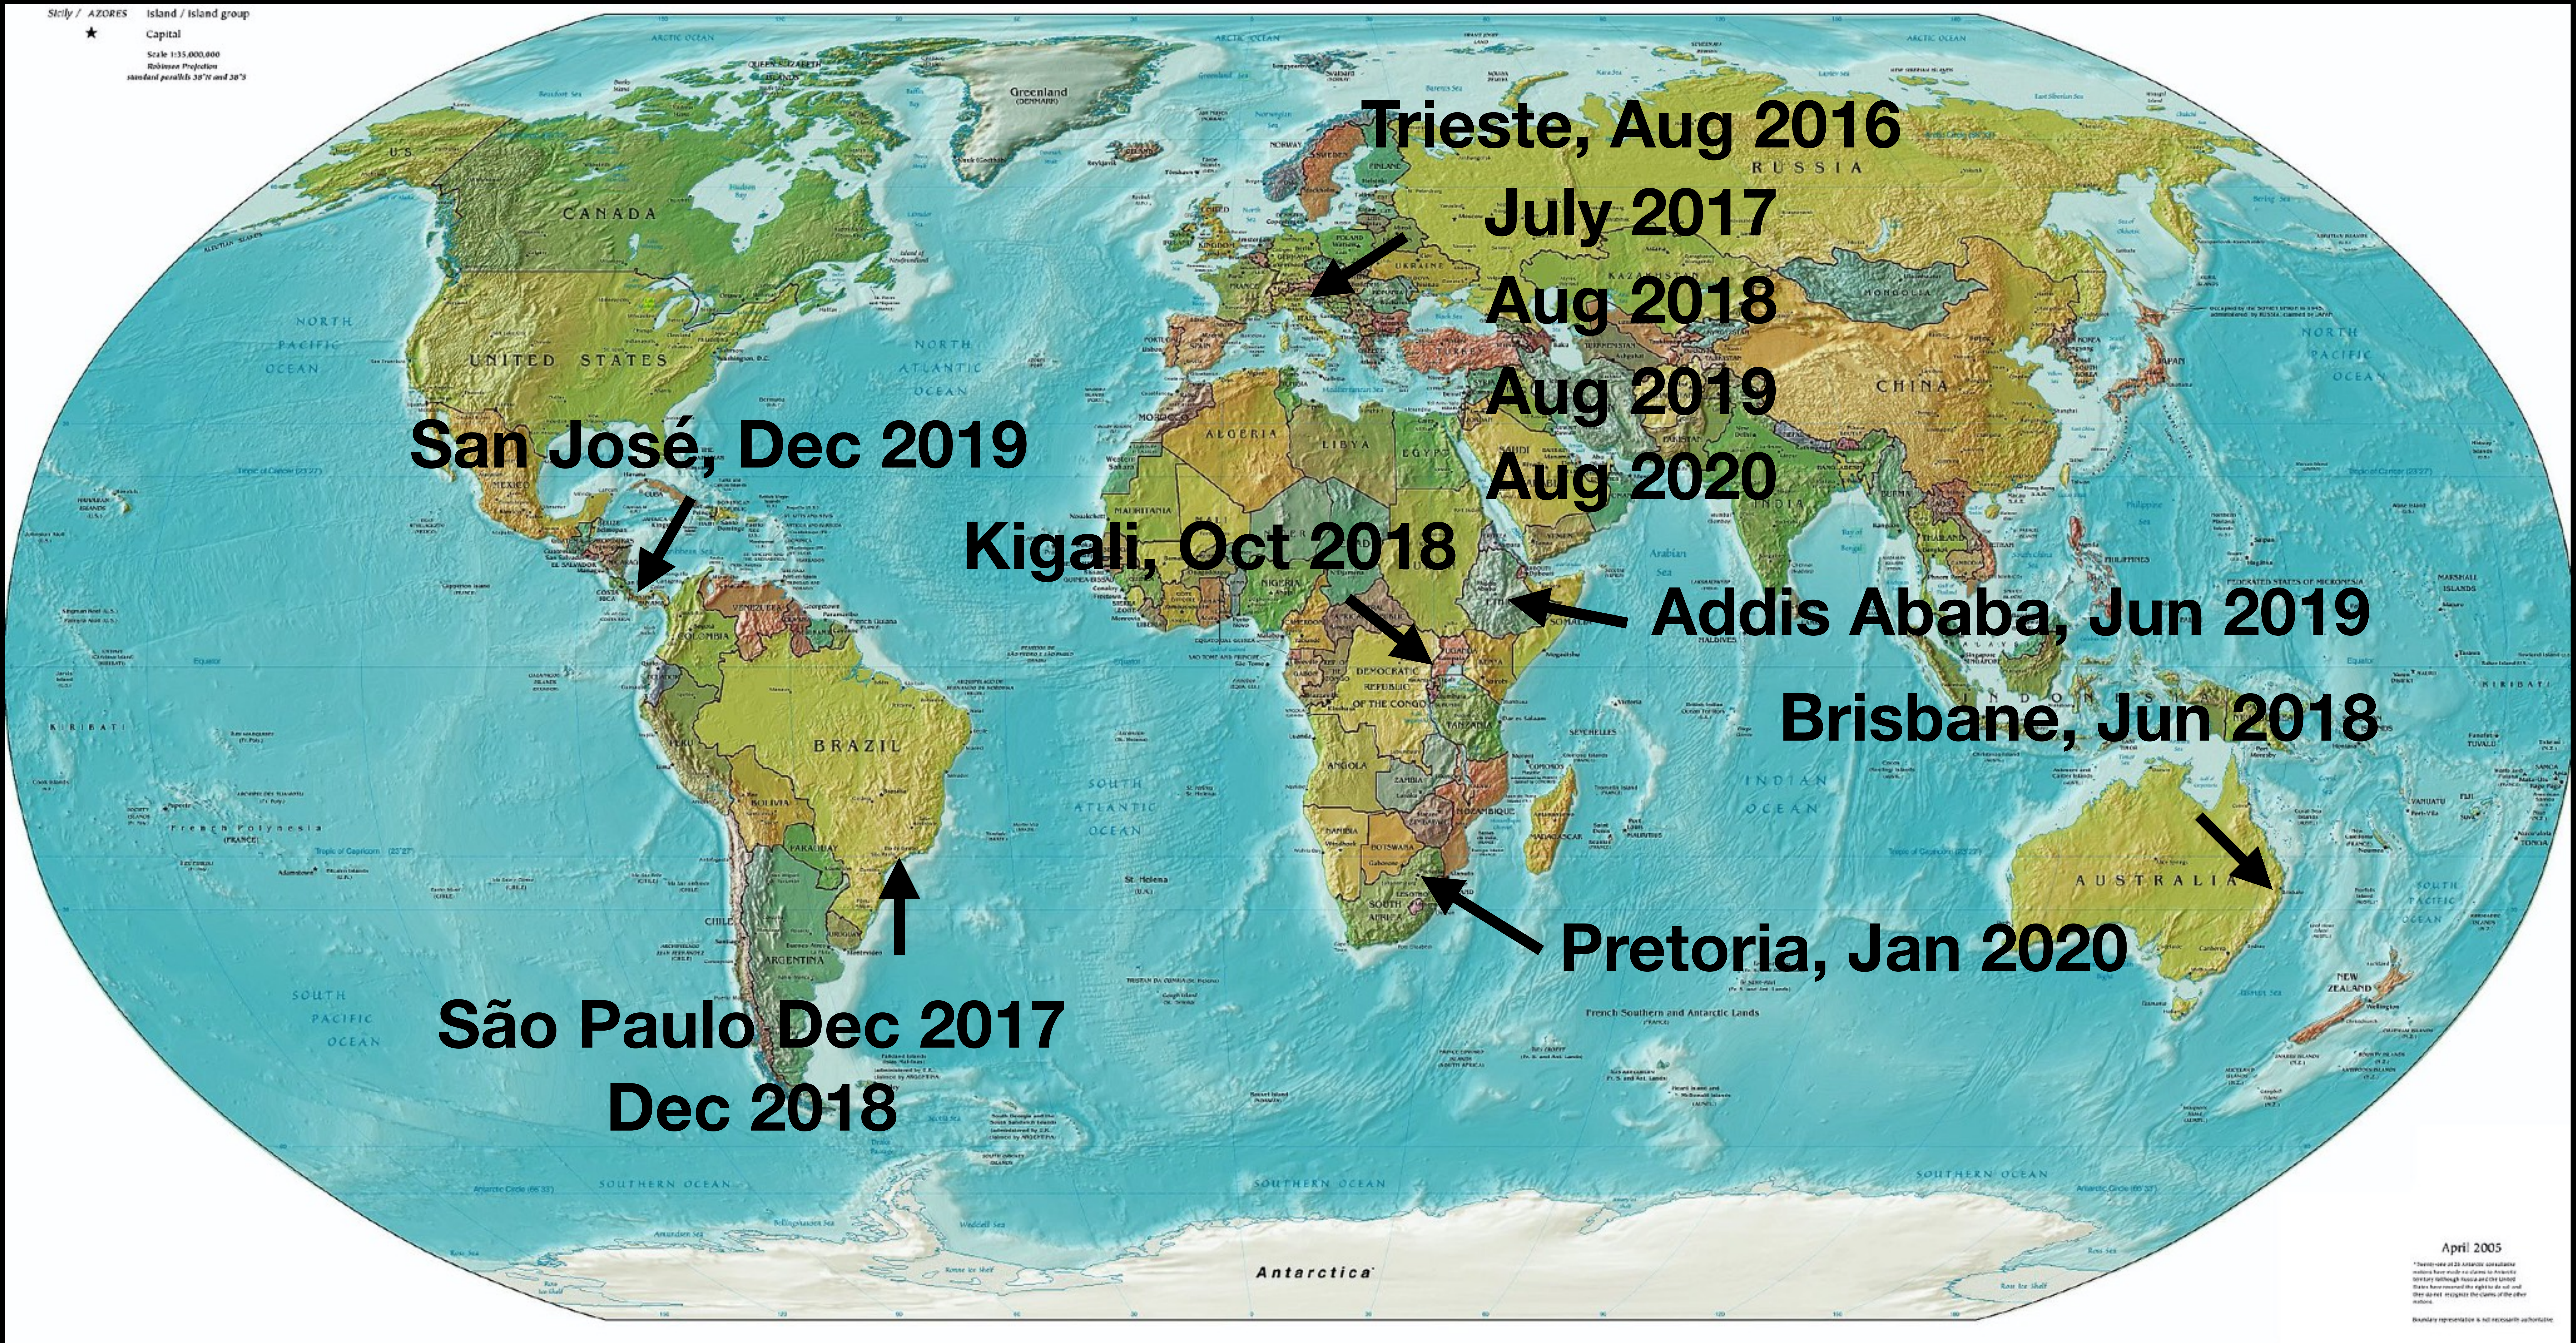

**Mix 'synchronised typing' with seminars with discussion with team work.**

**Trieste, Italy is a test bed - other schools are regional**

**Use as many regional instructors as possible.**

**Recruit from student body.**

April 2005  
\*There were at 20 Antarctic territories  
which have not yet been claimed by any  
country. However, these are not the United  
States have reserved the right to do so, and  
other do not recognize the claims of the other  
nations.  
Boundary representation is not necessarily authoritative
