

LET'S BE HONEST

- We are in a very unusual situation.
- We are all doing things in a new way.
- Turning a positive into a negative.
 - Less “Chalk and Talk” -> On demand
 - Live sessions focus on feedback, exercises etc.

PATIENCE

- This way of teaching is new to you and to me.
- I will be as patient as I can with you.
- I hope you'll do the same for me too.
- Talk to me.
