

# NSS

- National Student Survey
- Taken every year from students in their third year
- Questionnaire (1-5 scale) of 25 Questions
  - Averaged into 10 results
- Used in all university rankings

# Notes

- With a cohort  $<50$  large fluctuations
- Less true for  $\sim 100$  students
  - Time series indicates trend
- Always it is about **Rank**
  - It is a race
