

# Now things to look at

- Look at categories where
  - Scores are in the bottom half
  - Aggregate scores that feed into TEF
  - Scores with a downward trend over the last three years

# TEF-relevant aggregate scores that need work

- Student voice - getting worse
  - Two individual scores getting worse
- Academic Support - getting worse
  - Two individual scores getting worse
- Assessment and Feedback - variable
  - One individual score getting worse
