  ◦ Ask questions here.

  ◦ Public questions (on the module)

    ● Students might answer them

    ● Will be answered at latest by next day of business.

  ◦ Private questions for me

    ● Will be answered at latest by next day of business.

    ● More effective than email.

NOMACHINE

- Tool that allows you to log into the CS RHUL servers from your laptop.

- You do not have to install Python etc. on your own laptop (though it makes life easier).
